Chorus. Marcato Marcia.

U. S. A. you're a country that's right, You've got the boys when it comes to a fight, They'll carry the flag that's true and blue, They'll fight and die for you,

Now Uncle Sam is the dad of the land so boys go up and shake his hand, For you'll be proud when they will say You're the son of the U. S. A. A.
